

2018 VENDOR PROSPECTUS - COLORADO RIVER LAW ENFORCEMENT ASSOCIATION CONFERENCE

The Colorado River Law Enforcement Association is one of the biggest and oldest recreational boating safety and officer focused forums in the west. This year, the 2018 CRLEA will be January 30 - 31, 2018 and returns to the Aquarius Casino Resort in Laughlin, Nevada.

The Exhibitor Display Fee for the CRLEA conferences is \$350.

If you are interested in being an exhibitor, please read through this informational prospectus, it contains info vital to you as a potential exhibitor.

Vendor display sponsorships allow CRLEA to occur with zero cost registration for the attendees. In return, your company will be listed in the 2018 Conference Program and receive a draped six foot vendor table with two chairs inside the workshop meeting room (Pavilion A conference hall). All tables will have electricity if you need it. In addition during the conference, you will be provided a minute or two of microphone time to introduce your company and present featured products. At CRLEA, your organization will have the opportunity to discuss your products face-to-face with approximately 175 to 200 boating law enforcement officers and recreational boating safety professionals, broaden your contacts with the recreational boating community, increase your awareness of new and critical recreational boating safety issues, present your products and services to the people who make buying decisions and demo your company products and boats on the Colorado River by the watercraft patrol officers who work on the water. Due to membership suggestions, extended break periods will be included in the conference agenda so officers have more opportunities to speak to vendors without missing any conference topics.

BOATS - BOATS - BOATS

CRLEA participants always look forward to boat or product demos and the Colorado River is within walking distances. Please advise if you are bringing a boat to show or would like to conduct a demo on the river; you will need to park in the boat lot area just west of the parking garage located just south of the main lobby entrance. This lot has large double pull-through spaces for watercraft. Also, if you would like to offer demo rides on the Colorado River, there is a free public launch ramp located just north of the Riverside Casino which is one minute drive or five minute stroll along the River Walk. River levels sometimes vary, but generally can accommodate most patrol boat models.

RAFFLE ITEMS

Throughout the conference raffle tickets will be sold to help defray the cost of the conference. **We are requesting that all vendors provide raffle items for this purpose.** If you have any items your company would like to contribute, please bring your donations with you when you set up and one of the organizers will be happy to assist you with locating the raffle item table.

REGISTRATION BAG INSERTS

If you have any small items that you would like to include in each of the registration bags, or if your company would like to donate ID badge lanyards, please let Tammie Frost (NDOW) tfrost@ndow.org know at your earliest convenience. We can incorporate them into the registration bags depending upon how and where they are shipped.
